“ I was lucky enough to spend the first few years of my teaching life with Amy at Concord Middle School. She was an incredible teacher to her students and to me. She always kept "what's best for the kids" at the heart of every conversation and decision. Plus her smile and laugh were infectious. CMS was a better place, her hundreds of students are better people, and my life is certainly richer for having spent time with Amy. More recently I was glad to reconnect with Amy and enjoy some hockey mom moments through Crusaders hockey! Love and prayers to Amy's family. - Sarah Oelkers Bullwinkel

“ Amy was my friend and neighbor. My daughter, Kayla was in the same grade with her son Ryan. When Amy was still a stay at home mom, she would often pick up Kayla from pre-school for me and would babysit her if I had errands to do.

Also, when I was moving overseas in 2010, Amy volunteered to help me. She came to my house to pack up my things. We spent that day, laughing, smiling and singing along to the music that was playing in the background.

Amy gave me a lot of support when she found out that I was going through a divorce.

A bunch of ladies would have girls' night out that included dinner and a movie. After the dinner, we would joke and give Amy the check since she was the math teacher. She would tell each of us how much money we all owed. She would laugh graciously about this.

She would always stop and say "Hi" when i saw her with her family when they were out walking their dog.

She was a kind and intelligent person and her presence will be missed. To Amy's family and friends, I wish you my deepest sympathy. I will keep you in my thoughts and prayers. Rest in peace Amy, my beautiful friend.
