“ *English family, my thoughts and prayers are with you as you go through this difficult time. My memories of Brian go back to the late 70's early 80's getting together with Tom, Rastus and Terry. Along with the Bartecci's and Wayne playing softball in Carol's back yard. Gonna miss ya B...*

“ *We had so many fun times growing up. My fondest memory is playing football. I was just one of the guys. He never treated me any different. As an adult when he was in the hospital he messaged me everyday. My deepest regret is that I never followed up. Prayers and hugs for the family. Love you Brian*

I always remember Brian and Bruce, our parents were friends back in the day. I was surprised he recognized me and knew my name, the last time I seen him just a couple years ago after such a long time. Rest In Peace Brian 💙🙏

ME

“ *Fireflies, whippoorwills, smokey grills, burgers, hot dogs, chips, coolers of sodas and beer, warm summer afternoons and evenings. Grandparents, Aunts, Uncles, Cousins, second cousins, all gathered in the back yard on Hazen Rd. Hugs and kisses when family members arrived, laughter and smiles, the silliness of adults and kids alike. A slice of our lives shared and the moments that bound us together. These are the sweet memories that infiltrate and will remain in my mind when I think of Brian.*
