“ I will never forget what Uncle David did for our family. His support during our journey with my Dad is a true tribute to the man he was. My fondest memory during that time was when he came to Clinton to visit my dad. We had some pretty challenging days that week. When Uncle David walked in to the room, my dad said- Hi ya Dave with a big smile on his face. We all just laughed. My dad perked up while Uncle David was here and then passed away a few days later. It was during that time that I came to realize how committed to family that Uncle David was. I will always be grateful for the opportunity we had to get to know him. My deepest sympathies to Aunt Barbara, Allison, Susan, Sharon and your families. I know you will miss him deeply. My thoughts and prayers are with you this week and for the days to come.

With love, Lisa Morton Lee

“ So sorry to hear of this loss. So many fond memories of skiing at Attitash and Sunday River with Susan and her family. Always followed by fun at the pool and big group lunches and/or dinners at the Grand summit.

“ I am going to miss my Uncle David every day for the rest of my life! He was the most unflappable person I have ever met and that always impressed me immensely. If things were bothering him, you would never know about it. He did not complain to any great extent and was about as even keeled as anyone I have ever known. He was quiet most of the time but when something funny occurred, his laugh was the best! I was always glad to see him and to talk with him. We had a lot of family history between us and we enjoyed recalling it together. In my opinion, he was a fabulous father to his three daughters and a fantastic grandfather to his grandchildren. He was a very positive but quiet force in his family and he is already terribly missed. As Aunt Barbara said the other day, the family will never be the same again. I have been very proud to have been his nephew and fortunate to have had him as my uncle! There was only one Uncle David and he was the best!! He may be gone now but my memory of him will be with me always!

With deepest Sympathy, Love and Respect, Jim and Donna Martin, Auburndale, FL formerly of Townsend, MA
