“ I knew Dave for over 25 years. He was the friendliest many I ever met. Always with a smile to me and a warm greeting. I always enjoyed our time at the Townsend Rod and Gun Club where he and I were life members. Dave loved to teach kids about airguns and did so with a full house on the weekend when he held the class. Dave was also a very sharp man to talk with about any pistol. He always showed me the best way to handle one and where to buy one. He was a great friend who I will miss. Rest in Peace my friend. God Bless you.
