“ Uncle Jack was one of the first to instill in me a deep love of country and respect for those who protect it. Always clean cut and neatly shaven, he taught me to stand at attention. I was fortunate to take many walks with him over the years, all of which resulted in laughter and learning. I can only imagine Auntie Angie and him are enjoying one heck of a reunion dance. Love to all of you.

“ I am happy that my father is finally with the love of his life once again, not the least, his lord. He loved his family and his God. He loved my mother and she loved him through thick and thin. She passed uncomfortably knowing he needed her. He never quit thinking about her and perhaps, now jubilant over his own passing, transforms both of their sadness to joy in the company of God. I look forward to honor my father with all of you and am grateful for your caring. Jack was fine man who honored his work with his local masonic lodge; Caleb Butler in Ayer. He reached out to other men and their families, expressing a love for humankind, offering help wherever he could and living his truth. I miss you Dad.
