“ My heart goes out to Valerie, Victor, Robbin, and all the family. Neil was my friend at a very special time in our lives, when we were children running around, exploring, discovering things, sharing some really tough times, and having a lot of fun, too, with all the neighborhood kids at White Pond. Thanks for helping shape my life Neil. You will be missed.

“ Neil fought the fight for sure in the past year. I knew Neil in school thru mutual friends. He always had a following of people to share good times with. I am glad you are at rest and peace. We talked about religion once and your views were a bit different from mine. You are in a good place now Neil but your friends will miss you

“ Robbin and family I am so sorry for your loss. Neil was one of a kind. We always hung out in high school and had great conversations about everything. We reconnected years later through social media and he hadn't changed a bit. I'm heartbroken at the loss of my long time friend. Rest In Peace my friend.
