

Gail F. (Boudreau) Maguire

October 4, 1954 - May 13, 2021

AYER – Gail F. Maguire, 66, of Ayer, passed away at her home surrounded by her family and closest friends on Thursday, May 13, 2021, after a brief but courageous battle with cancer.

Born in Woburn on October 4, 1954, Gail was the daughter of the late Francis Edward and Claire Louise (Hanley) Boudreau.

Gail was a dedicated nurse for more than 40 years, working at Nashoba Valley Hospital, and most recently Montachusett Home Care, a job she relished. Gail loved music and spent most of the warmer months traveling to bluegrass festivals and camping with her husband and rotating group of likeminded family and friends. She was known for her epic Halloween parties, love of dancing, her amazing ability to accessorize, and most of all, her kind and generous heart.

Gail is survived by her devoted husband of 45 years, Raymond E. Maguire, her daughter Sarah Peschier and husband Steve of Standish Maine, and her daughter Katie Hoos and husband Keyan of Ayer. Gail had 5 grandchildren: Finnegan, Landon, Callum, Jasper, and Miles, who brought her so much joy. Gail is also survived by her loving sisters, Sharon (Bud) McLaughlin of Lowell, Elaine (Paul) Chittick of Lynn, Cheryle (Tom) Weisend of Florida, and Amy (Ray) Shoats of Florida. The family would like to thank everyone for their compassionate care during the last weeks of her life, notably Sharon, Erika, Heidi, Holly, Susan, Rick and Darlene.

Gail will be cremated per her wishes. A Celebration of life will be held for Gail at a later date, and an intimate family gathering is also planned.

Arrangements are under the direction of Anderson Family Funeral Homes, 25 Fitchburg Road, Ayer, MA. For further information or to leave an online condolence, please visit Gail's Tribute Wall, at <http://www.andersonfuneral.com>.

“ I worked with Gail back in the late 70's and early 80's at Nashoba. She was very kind to her patients and a hard worker. I always enjoyed my shifts with her. May she rest in peace.

“ I was so sorry to hear of Gail passing. I worked with Gail for many years at Nashoba. She was kind and loving to all. Gail was very welcoming to me when I was new employee at Nashoba. Gail invited me to lunches at her house, so I could get to know other nurses from the hospital. I had so much fun. Rest In Peace.

“ Memorial Day & Veterans Day were important to Gail & Ray as well as Halloween & Christmas, NewYears, Birthdays & more.
Gail was quiet to Rays loud, from when they first met as nurse & patient. Their love was everlasting. Are hearts are broken, as she was joy! We are here for Ray and family.

“ My deepest condolences to Ray, Sharon, Amy, Elaine, Cheryle and all of your family. Gail was always made me and my family feel welcome, like a part of her family whether if it was at one of her and Ray's legendary Halloween parties or any Maguire/Boudreau gathering or celebration. I always left any of Gail's get-togethers with a profound feeling of joy and will be forever thankful for her kindness for inviting me into her life.

“ My deepest sympathy to Gail's family. I worked with Gail at MHCC, and her love for her family was evident in every way. Family pictures were prominent decorations, and the stories she would tell, particularly about her adored grandsons. Gail was a wonderful nurse, teammate, person, friend, with a delightful gift of gab. And her holiday outfits! She made everyone laugh, brought joy to our AFC group. She cared deeply about her clients and her coworkers. I will miss her greatly. Susan Dempsey

“ I worked with Gail at Montachusett Home Care. She was everything a nurse should be to their clients/patients- a strong advocate, caring and skilled in her assessments, She was a dependable and supportive co-worker. She brought such joy to our AFC "team" with her sense of humor, sense of style and cheerful nature. No one could compare to her holiday outfits and everyday fashion. Gail will be deeply missed and remembered fondly.

“ My deepest condolences for your loss. I worked with Gail at MHCC for 8 years. She always had a story about her grandsons to share which would end with a huge laugh! She was such an advocate for her patients. We shared visits with a family that was in dire straights and she connected them with food stamps, fuel assistance, electric company discounts and more. She was a tireless advocate for families and individuals in need! Gail and I drove together to a visit on the day she found out that her mother had passed away. She was very quiet so I asked her if she needed to go home. She said, "No let's finish the day." She was a truly dedicated nurse and co-worker. She will be deeply missed!

“ I am so sorry for your loss. I worked with Gail at MHCC and she was my office mate. I cherished my times with her, she always manages to make me laugh. Her love of her family was evident each day. She would come in and we'd share stories since I have two young boys are the same age of her grandsons. She will be greatly missed not only by her coworkers but the lives she touched while working at MHCC. She was a fierce advocate for her clients and an amazing supportive coworker. You are all in my prayers, kristen
