

Helen M. Shepard

February 7, 2017

She was born in Ayer on March 27, 1952 a daughter of the late Raymond L. and Leda E. (Croteau) Shepard and grew up in West Groton. She graduated from Groton High School in 1970 and has lived in Shirley for all of her adult life.

Helen was a administrative assistant for the accounting firm of Nancy Washington, PC in Harvard and had recently retired in June of 2016.

She was an active volunteer at the Loaves and Fishes Food Pantry in Devens. One of her many contributions was her knitted scarves which young children could give to their parents at Christmas time. She also had many hobbies and always remained busy. Her greatest pride and joy was her many flower beds and vegetable garden. She found no greater pleasure than sharing what she grew in her gardens. Her indoor hobbies include card making, stamping, knitting, holiday cookie baking and of course spending time with close friends and family.

She leaves her longtime companion, Walter Pochini of Shirley; a brother, Robert J, Shepard and his wife Christina of Shirley; two nieces, Julie Mazza of Gardner and Melissa Walters of Fitchburg and two great-nephews.

In addition to her parents she is predeceased by a brother, David Shepard and a sister, Linda Raimon.

“ Excellent read, I just passed this onto a friend who was doing a little research on that. And he just bought me lunch because I found it for him smile Thus let me rephrase that: Thank you for lunch!

“ I am so sorry to hear of Helen's passing. She was the first childhood friend I had. We went to Tarbell School and to Sunday School classes together. I can remember going to her house to play and having her mother's wonderful pineapple squares. Helen brightened up everyone's life.

“ My deepest sympathy to her family. Helen gave me one of the first of many welcoming smiles the first time I walked into Nancy Washington's office in Harvard. No matter how busy she was, she always had that smile and her what can I do for you follow up. She was a beautiful person inside and out and I will miss her.

“Helen was always a joy to talk with, and very generous in sharing her perennials with us. In our last conversation she gave me a heaping pile of gardening magazines, many of which I shared with a classroom of fourth graders eager to use the photographs for their projects. We will miss her very much, and wish you solace and peace of mind in the days ahead, Walter, and to all who knew her.
