“ Just another note (this is Annie (Pulling) . . . my brothers who are not computer users want to send their condolences, and let Karen know we're all thinking about her and are sorry for her (everyone's) loss. We lost both our folks several years ago so we know how hard it is. Janet had always been good to me, especially during the last days of Glenna's life. I'd call, but the number I have for Karen is outdated. Again, our best to all from John, Bruce, Jim, Barry, and Annie.

“ Great memories from childhood. Janet used to play softball with me and my brother Barry during our summer vacations at our grandmother Powell's. Karen, am so sorry I am now only hearing about your loss. Tried to call you but I apparently have an old number.
