

Ki Soon (Kim) Waller

June 17, 1934 - April 26, 2020

TOWNSEND: Ki Soon (Kim) Waller, 85, formerly of Townsend, passed away Sunday, April 26, 2020 at Life Care Center of Merrimack Valley, Billerica. Due to complications from Covid-19.

KiSoon was born in Seoul, South Korea, June 17, 1934, a daughter of Yung Kil Kim and Jum Lae (Lee) Kim and immigrated to the United States in 1962 and became a naturalized citizen of the United States.

She was the wife of 47 years to the late George F. Waller who passed away on September 7, 2003.

KiSoon leaves two sons, George I. Waller Sr. and his wife Sheila Waller of Oregon, Jerry C. Waller and his wife Lisa Waller of Townsend; two daughters, Kim L. Waller of Chicopee, Mary A. Elliott and her husband John Elliott of Townsend; a sister, Kyung Cha Won and her husband Ho Jae Won and their two sons Mike and Mark of Washington. She also leaves behind six grandchildren and three great grandchildren, Christine Waller and her son Miles of Washington, Ashley Bourgault of Gilbertville, Taylor Bourgault and her two sons Cayden and Steven of Chicopee, Meghan Waller and Allison Waller of Townsend, and Connor Magoon of Townsend.

She was a very responsible and dedicated worker and had several jobs over the years, sometimes having several jobs at once. But above all, KiSoon was a devoted wife, mother and grandmother. She was a very loving and caring person that would do anything for her family and friends and always put others before herself. She was very supportive in her children's and grandchildren's endeavors. The births of her grandchildren and great grandchildren were some of the happiest days of her life, and she loved nothing more than to spend time with them. Her family meant the world to her and there was nothing she wouldn't do for them. She also enjoyed cook-outs, birthday parties, holiday gatherings,

camping trips, going to the beach and trips to Disney World with her family. She was an excellent cook and enjoyed making big meals for her family. She always welcomed everyone into her home and enjoyed sitting around the table talking and laughing for hours with her family. She had a great sense of humor, loved to laugh and always had a beautiful smile on her face, making everyone else around her smile and feel comfortable. She also enjoyed walking, gardening, knitting, playing cards, watching movies and most of all caring for her grandchildren.

The time that KiSoon's friends and family got to spend with her was a gift. She was an intelligent, strong woman with an enormous heart and will be greatly missed.

The family would like to thank the staff at Life Care Center of Merrimack Valley and New England Hospice for the care they provided, particularly during her illness when the family was restricted from visiting.

“ Letter to my Mother

Dear Mom,

You haven't been gone that long but it seems like forever. Not being able to be with you, hold your hand and tell you I love you breaks my heart. Its a crazy time right now with everything that's going on..but you know that!!

I've been trying to put in to words how much you mean to me. How much I love you...

I became the woman, Mother, Grandmother and sister that I am because of you. Your strength above all things is one of the greatest traits I have learned. No matter what was happening, who needed help or with what. You were there.

I know that life wasn't always easy for you, I wish I could have changed that for you. But, you're not one to ask for help. You're stubborn! That's for sure...I guess that's why I am too. I miss all of our times together, every little one.

I'm not the only one who misses you and loves you...I know that for sure.. You were an incredible Gramma to all of the Grandbabies..You AND Dad, together, that's what we remember..

Its hard to think of one without the other. You showed us that love transcends time, space, heaven and earth.. I admired the love you had for each other, and it broke everyones heart when you and Dad had to say goodbye for a little while...

I know that you and Dad are together again. Happy, healthy and at peace in heaven. I pray that for every tear that you shed, every heartache you endured, that God will hold you in His hand and fill you with His love.. Which is perfect.

I will tell you again, that I love you, I miss you. I can't wait to see you, Dad and all of the other wonderful people that reside there with you..But for now, I also have a job to do, to love and be loved..And most of all, to continue to be the strong, resilient woman that you taught me to be.. I love you both with all my heart..

A big hug and kiss to you Mom...

Happy Mothers Day ...❤️

“ Oh Gramma, losing you has not been easy.. you meant so much to me. I could never thank you enough for being such an amazing grandmother to not only me, but a great grandmother to Cayden and Steven..you helped me learn to become a loving, caring, and positive mother at such a young age. All the bottles you helped with, and diaper changing, and can't forget the baths either, having a child at a young age was difficult and you were such a huge role model for me and mom (Kim). I would not be the woman I am today if it wasn't for you and her and also my auntie Mary. You showed them the ropes and then we're there to help me too. As a child, i can remember all the sleepovers, watching Golden girls and the Nanny, Threes Company too! Letting Ashley and I sleep on the rolling bed with you because we were too scared! And grandpa never complained! Spending every Saturday night with you and Auntie Mary and my summer vacations with you guys and cousin Connor.. Letting us help fold papers and dress up grandpa while you shook your head and laughed, having lunch at friendlys, your favorite place! You were always so loving but always honest, and that is one of the many things that i will always cherish about you. I could go on and on about all the wonderful memories we have shared... you sure did love all of your children and grand children so so much. I will never forget all of our great memories Gma...i will love you forever and always, always in my heart...tell grandpa and sandie we say hello. ❤️ We will meet again one day xo

“ My Mother was a source of strength and ever the believer of a better future . She had the courage to go against the norms of those times. As a Korean she met and loved an American and started a new life . Language,custom,food,religion, everything would be opposite from what she knew as a Korean. But for her ,she embraced and thrived in the new life, she even added a new nick name Peggy from our wonderful Aunt Norma . I will always admire her character, love and grace. I will always be proud to be her Son.Love MOM forever.

“ Mom,

There's so much we want to say to you. You have been the best mother, grandmother and mother in law anyone could ever have, not to mention best friend as well. We already miss you so much. We miss your laugh, smile, our talks, your big hugs and kisses and that wonderful sense of humor. Thank you for giving birth to me and being such an amazing mother. You have been an amazing role model to all of us, you have taught us to be strong, independent, caring, loving, and to never give up on our dreams, to be confident but also be empathetic and compassionate towards others and above all, how to be a wonderful parent, grandparent, and friend. We will cherish all the wonderful memories we have made together as a family. Next time we go to the beach, or camping in Vermont, to the movies, or have dinner together, or a trip to Disney World, we will be thinking about you and we know that you and dad will be right there with us, having a great time. As sad as we all are that your gone, it gives us great comfort knowing you are with dad and your parents and siblings again and you're at peace. We also have another guardian angel looking after all of us and that is heartwarming. Every time we see two cardinal's we know it will be you and dad. We will always love you both and miss you and we will never forget you both, you will always be in our hearts forever until we all meet again someday. Although under the circumstances, we weren't able to hold your hand, hug you, kiss you or lay beside you, just know that we wanted to, but we couldn't due to the circumstances going on in the World. But if we could have, we would have been there right beside you. But we are so grateful that we were at least able to see you through your window at the place you have called home again, after spending time in the hospital. You were back with the people who have taken great care of you, grew to care for you and loved you to. We were grateful to the hospice nurse Jess, that we could at least be at your window and we were able to see your beautiful smile again, and hear your giggles and laughs again and we were all there to say our goodbyes to you and you could hear our voices again to give you some peace and comfort. I hope that we all brought as much joy to your life, as you have brought to ours. Rest in peace mom. We will always love you and miss you and remember you forever in our hearts.

Love always,

Mary, Connor and John

*To the most admirable Lady, my Aunt, 큰고모!
You were so brave to leave Korea, your motherland to seek new life of love & adventure! How courageous and deserve recognition for this act, which must've been not that easy..you & Uncle George opened up a door of opportunity for all of us, Kim side of family, maybe you never got to hear the deepest sentiments, but please know that it was most generous and selfless act anyone could carry out..regrets of never making it out to Massachusetts to eventually meet the family you started and eventually raised, but know from Heaven after reuniting with Uncle George, Grandparents, my parents that you know the appreciation we have for you and know to this day we have Not thought of you, spoke of you , credited you and Will never forget you.
Love , Big Hugs , Rest In Peace

Mary and family,

Death is nothing at all. I have only slipped away into the next room. Whatsoever we were to each other, that we are still. Call me by my old familiar name, speak to me in the easy way which you always used to. Laugh as we always laughed at the little jokes we enjoyed together. Play, smile, think of me, pray for me. Let my name be the household word that it always was. Let it be spoken without effort. Life means all that it ever was, meant. It is the same as it ever was, there is absolutely unbroken continuity. Why should I be out of your mind because I am out of your sight? I am but waiting for you, for an interval, somewhere very near, just around the corner. All is well. Nothing is past, nothing is lost. One brief moment and all will be as it was before, only better, infinitely happier and forever --we will be one together with Christ.

Mary, so sorry for your loss, you are an incredible daughter to your Mother.
