

Lucy A. (Black) Alexander

September 15, 1959 - December 29, 2019

GROTON: Lucy A. (Black) Alexander, 60, passed away on Sunday, December 29, 2019 at The Atrium in Chelmsford after a six year battle with Alzheimers Disease.

Lucy was born in Groton on September 15, 1959, daughter of the late Bennett R. and Mildred E. (Morris) Black. She resided in Groton for most of her life, a 1977 graduate of Groton-Dunstable Regional High School.

Lucy received her business degree from Salem State University in 1981.

Lucy worked for several years at Digital Equipment Corporation, and later The New England Forestry Foundation before going to work in the North Middlesex Regional School System as a teachers aide at the Peter Fitzpatrick School in Pepperell.

Lucy loved spending time with her family, relaxing with a book and a glass of wine, or going out with friends. She and David always enjoyed an extensive network of friends, many of who are counted as family today. Lucy loved spending time at the family cottage in Fairhaven, relaxing on the deck with a margarita and her sun visor. She was always up for a weekend away, an iced Carmel latte or a shopping trip to find the best deals.

Lucy leaves her husband of 33 years, David B. Alexander; her son, Benjamin D. Alexander of Groton; her daughter and son in law, Kelly M. and Ryan Warner of Stoneham; three brothers, Donald Black, Robert Black and Bennett Black all of Groton. She also leaves several nieces and nephews, and her beloved cat Lily.

“ I send my deepest condolences to the extended family.

As an adolescent and young Teenager, I idolized Lucy bc she was so pretty, bc she had a horse, bc my sisters and I got her cool hand me down clothes. I will never forget one weekend when I visited and we rode the horse right into a pond and it swam with us astride That morning Lucy also showed me how to make scrambled eggs. I had a super groovy time and was in awe of her.
Thank you, Lucy! May you Rest In Peace.

“ My heartfelt condolences to Kelly and her family on the loss of her Mom. This dreadful disease steals away bits of our loved ones while at the same time inflicting upon us their loss from us right before our eyes. So now she rests from that arduous battle and so do you. It will not be easy; but know that it will in time for there is a force far greater that watches over you that reminds you of the woman that she was and the values, strength, courage and love that she instilled and shared with you. Not unlike the Good Shepherd who watches lovingly over His flock under all circumstances and who provides the peace and comfort needed, you are never out there alone.

“ As I sit here...I find it difficult to put into words....so I'll just list the memories that are free flowing now....

So many happy times, living together in Malden, having our children around the same time, sledding in the front yard, taking walks in your beautiful neighborhood, trying to figure out how to buy the house across the street...dinner's, yard sales, driving to NH to shop, apple picking, the tickle tummy hill, fondly naming your home the "Alexander Resort" because each visit we were welcomed with warmth, the aroma of something cooking and the knowledge of a wonderful weekend ahead.....laughter...friends..

Thank you Lucy, for all our treasured moments in time - you were pretty special and my memories of our time together will be something I will cherish always.

Rest in Peace my friend.

Though, we were not close in growing up I have always considered you and your family a very important part of our Ancestry. If I can help you in any way I am just a phone call away. God Bless All of You in your time of need. Love
