“ Dear Linda,
I will always remember the many years Marty and I worked together at Raytheon. As a team we made many memories and the Raytheon Executive Aircraft Maintenance Dept. is a better place because of Marty`s contributions.

“ Linda and family we were sorry to hear of Marty passing. Marty was a very good friend of mine. We have fond memories at the airport and brunch at the Old Mill restaurant and coffee at DDO.
Another fond memory last October was a train ride with Linda and Marty.

“ Linda so sorry for your loss

Elaine - September 12, 2018 at 07:33 AM

“ I had the chance to spend some time with Aunt Linda, looking at pictures and it was clear to see Marty was incredibly talented. Not just with airplanes, but house building, and building beautiful furniture. I will remember his bright blue eyes and always a big smile on his face as he poked fun at my husband every time we were together.

We are deeply sorry for you loss Linda and Sandy.

“ Marty's quick wit and sense of humor will be what I'll miss most. He was one of first friends I had at Remar's Shipyard in 2004 when we both bought our houseboats. The difference was Marty knew how to work on his and keep it running, our's was more of a cottage on the water. He was so talented. I will miss him so very much and he'd be the first to tell you, I still owe him a beer for some bet we made years ago. I continue to look over at the slip they had at the Islander Marina and wish I could turn back time. My sincere condolences to Linda and Marty's family.

“ Linda, we are so very sorry to hear of Marty's passing. He and Julian can now "reminisce" in heaven about Nedrow Airpark, and all of the fun they had. We missed both of you at "Thanksgiving" this year on Labor Day, as did our neighbors. They extend their sympathies, as well. May God bless him and keep him in His loving arms.
