“ Pat came to our home for Easter many years ago, the guest of our son. Every head turned when he walked into worship service-so tall and so handsome! He immediately endeared himself to our family. He stayed in touch with us all these years and we are heartbroken at his passing. Prayers of peace to his family and friends. A good man gone way too soon.

“ To the family of Pat Pa'u.
I always loved calling Pat his first and last name “PAT PA”U.” What a gentle and kind young man he was when we were stationed at Ft. Devens, MA. Pat, you were such a great friend to my son Jimmie and we had no qualms about Jimmie spending time with your family and you spending time with us. May God bless and keep your sons safe until they meet with you again. May your soul rest in peace with your other family members now. Prayerfully, Mr. & Mrs. Jimmie Davis, Sr.

“ Pat, growing up a military brat I grew used to moving away from friends or friends moving away. It hurt leaving Ayer after we'd became close my guy and always thought I'd make it back some day to see you. And after catching back up over Facebook and seeing that we shared having two boys I thought that was too cool. Moms still asks about you to this day when I say I was on online with old friends. My favorite memory was when you were playing volleyball in my folks backyard and you tried to take it easy on my Moms but then she hit you in the face with the ball. As kind and gentle as you were, you just smiled and we all laughed about it. Love U Man! 1

And when I ran into him several times through the years he was always very friendly. I also remember him as being a great athlete. “ Pat was a special person. He was kind, respectful and had a soft spoken voice just like his father. I am truly in disbelief that this wonderful person has left us way too soon! I remember all the basketball and football games that he played with Anton and his buddies from Pop Warner through High School, and then they both went off to college and remained close friends. Our thoughts and prayers go out to Jihana, Ioane, Mikele, Faye and all of the family at this difficult time. Pat will be dearly missed! Rest in peace. You will forever be in our hearts. Love you all, Auntie Earnie, Uncle Eric and Family

“ I was lucky enough to attend UMaine with Pat. What stands out most in my memory is that no matter the situation, he was always so chill and calm and always so friendly with that big ole smile. My heart breaks for all of his family and friends and may you find a peace among this heartbreak. Always a Black Bear
