“ I have so many fond memories of my Uncle Paul. My sisters and I always looked forward to our visits to Aunt Elaine, Uncle Paul and our cousin’s house in Westford when we were growing up. Uncle Paul would always greet us with a big hug and smile. He had a wonderful laugh, a love for adventure and always valued his time with his family. My heart, thoughts and prayers are with my Aunt Elaine, my cousins and their families. Uncle Paul was loved and is greatly missed. He will remain forever in our hearts.

“ It was through Paul taking our son, Tom, under his wing and taught him how to play hockey, that we became acquainted with the Walters. Since all our family was in Pennsylvania, we were invited to spend Christmas Eve with the family. So many years, so many memories! Especially the cross-county- skiing memories – “Van Ryan’s Express”, Paul opening a champagne bottle and hitting the sprinkling system, causing the fire alarm to go off and the emptying of the entire Inn, (he couldn’t do it if he tried); our getting together for lunch, so many memories to keep close to our heart. We will miss you, Paul.

“ We’ll always remember our brother-in-law-law, Paul, welcoming us to one of the many poolside cookouts he and Elaine hosted. At one of them we ate our first ever “just caught” trout accompanied by a side of one of his fish tales. I have fond memories of exciting rides with Paul and my sister in his convertible during my preteen years to a more recent one of watching him show my oldest daughter and her daughters how to aim their “rifles” at a Bass Store arcade. Paul infected us all with his love of the outdoors and people. He will be greatly missed.

“ Uncle Paul had the merriest laugh I've ever heard. I am so grateful that he enjoyed his life, his family, and the outdoors. One of my best memories with Uncle Paul was camping on the Mad River, when he and Keith caught fresh trout and Aunt Elaine fried it for dinner - it was SO good. Uncle Paul really embraced the outdoors and he was a very talented sportsman. It is hard to believe that he is in Heaven now. He will be greatly missed. My deepest condolences go to my Aunt Elaine and my cousins Keith, Chris, and Kurt. We will always have warm memories of him together from those years of holidays and events in Westford.

“ Paul, my father in law, was one of the most loving and family-focused people that I have ever know. He will be dearly missed but I am fortunate to have so many great memories that I keep close to my heart. I am truly fortunate as both Paul and Elaine, from the day I met their daughter, accepted me into their family unconditionally and always treated me like a son. We will miss you Paul and always will keep you close to our hearts in memory.

“ Words cannot express the memories that I have because of my papa. We share two beautiful boys that every single day do something that reminds me of papa and I am so grateful that I am able to be a part of this family. One of the best memories. Yes, one of the best for sure. Love, hugs and prayers. See you in heaven Papa.
