

## Pauline J. Hamel

May 4, 2018

Miss Hamel was born in Groton, November 4, 1934, a daughter of Stephen P. and Mary A. (Kukta) and was a lifelong Ayer resident. Miss Hamel worked as a dietary aid at the then Community Memorial Hospital, Ayer, between 1948 and 1952 when she graduated from Ayer High School. After graduation she worked as office manager at the medical practice of Drs. Hopkins and McLean while continuing her education at the University of Lowell where she received her Bachelor's Degree in Business. Upon completion of her degree she was employed as the Registrar at the Groton School until retiring in 1998.

For six years Miss Hamel served her community as Selectman, and was very proud to represent the Town of Ayer at the Pentagon during the time Fort Devens was being considered for closure.

She was an active member of St. Mary's Church in Ayer where she served as a Eucharistic Minister and Lector. Many years ago she was active in the St. Mary's Drum and Bugle Corp and was very proud being the only female member of the drum section that appeared on the Community Auditions TV Show and the Ed Sullivan Show.

Some of Pauline's favorite memories she shared were those of her participation in the St. Mary's Minstrel Shows.

She had been a member and past president of the Business and Professional Women's Club.

She leaves a brother Richard.S. Hamel and his wife Marion, of Maggie Valley. NC; her sisters Maryann Madigan and her husband Harold W., of Ayer, and Carol Cichy of Dennis, Cape Cod; she leaves nephews, Richard Hamel, Kevin Hamel, and Gregory Hamel, David Madigan, James Cichy and niece, Joann Cichy, Great Aunt to Molly Cichy and Katlind Madigan. Scott and Jacob Delaney, Nicholas and Justin Cichy, all of whom were dear to her heart.

“ So sorry to hear of Pauline's passing. Pauline was a smart and fun loving lady! Pauline was such a role model for women while serving for the Town of Ayer. We had a lot of laughs sitting on the beach in Aruba with Pauline and her sisters over many years. Thoughts and prayers to the Hamel family.

“ Dear Maryann,

The School let me know about Pauline, and I was stunned by the news of her passing. She was a wonderful and kind friend to me and we shared a lot of good times and laughter (often with you as the third person). She had quite a varied life and was active in more activities than almost anyone else I know. I have not been back to the school or to Ayer since I retired early in 2004, and I am sorry that I did not try much harder to get visit with her. Her wonderful devotion to Rogers Scudder was remarkable and an indication of her caring and thoughtful nature. She was one of my best friends at Groton and also one of one most outspoken persons at the school, much more so than I ever was! I have a prior commitment tomorrow morning and so I cannot be with you and your family, much to my disappointment. I will be happy to make a contribution in her memory at the church which was such an important part of her life. Sincerely, Mike Tronic

“ To Maryann and the rest of the Hamel family. Pauline was such a special person, always donating her time to make the town a better place to live, to assist the church in its mission and to uplift and to lend a helping hand or a word of advice to anyone less fortunate than her. She will be sorely missed by all who knew her. May all your wonderful memories provide you with some comfort in this time of sadness

“ My sincere sympathy to all of the family. Pauline was a lovely person and an asset to the Town of Ayer. I enjoyed several get togethers with her for the Organ concerts in Groton and dinner afterwards. It was always fun to pick Pauline's mind with questions about people or things in the town. She seemed to know everything. She will be sorely missed by all who knew and loved her. R.I.P. dear Pauline.
