“ *My condolences to all of Philistine's family. I worked for Ayer Oil Co for many years. I had many of lovely conversations with her when she would call for oil. She always spoke so highly of all her children & how proud she was of all of you. May your wonderful memories of her help you with your grief.*

“ *Dear Phyllis, Mike and I are sending our most heartfelt and sincere condolences on the loss of your Mother. Your mother was, indeed, a very special and caring person. I will always remember how she welcomed me into her home with her beautiful smile, glowing skin, and comforting hugs! We were blessed to have known her, and even more blessed that she gave us you, my best friend and sister. Know that she is not truly gone, because I see the best of her soul in your face, and in your heart! Love, Sheila and Mike Olson*
