“ Sad to hear of your dad's passing. He was such a kind man. Loved him being my boss at Brothers market. Prayers and hugs to you and your families.

“ One of the nicest men you would ever meet, with one of the best laughs to listen to. My fondest memories are the numerous cookouts and family gatherings he would host at his home, when it got late enough we would sneak out on the golf course and hit balls!! I'm going to really show my age here, my family had a black and white tv, uncle Bob had a color so every year for the longest time we would go to his home and watch The Wizard of OZ so we could see the second half in color! He and my aunt Juanita would always provide plenty of awesome snacks for the movie. It was a pleasure to have known you, thank you for all the fond memories.

To Bobby, Diane and Suzy, my heart felt condolences to you all, thank you for sharing your wonderful dad with us all.

your cuz,

Mark Thibodeau
