“ I've known Ron most of my life. My best memory is going hunting with him when I was 14 in Pennsylvania. I told him he wasn't getting a deer that year, he went home empty handed for the first time in years. We all had a great time

“ We just got to know Ron recently when he came to our home in Pepperell to straighten out a mess that another contractor left us in. Ron took on this job that others didn't want any part of. He took on each project, explained everything to us, and our options, broke down the costs. We felt like we were in good hands with Ron. But he was more than just a contractor, he was a kind person, someone we enjoyed joking with and sharing our vacation stories with, someone we wish we could have gotten to know better. We were so shocked to hear of his untimely passing. He talked about retiring. So sad. We will miss him. Often when I look at my new windows, I am thinking about him. Rest in peace Ron.

“ When I was young, I remember Johnson coming over with their friends to my parents to get together and “Johnson” always had such a good time. He was always good for a funny joke. Always wanted to make others laugh. May God bless you all with peace and comfort.

“ My deepest condolences to my Aunt Sue and all those who knew and loved Ron. Every time I saw him he came up to me and greeted me like a man, shaking my hand and asking how I was doing. Even when I was younger and didn't get that from many adults. I've taken a lesson from that and always enjoyed talking with him and will miss him.

“ My condolences to Sue and Ron's children, Craig and Kiki. I'll always remember Ron as a kind and caring man. He and my sons, Keith and Mike's father were best friends for many years. He was always fun to be around and he will be greatly missed. I know he's in heaven fishing or hunting with his buddy Ron. May you rest in peace, Ron.

“ Dear Sue & Family...  
Words can't express how saddened we are to hear about the passing of a great man and our dear friend "Uncle Ronny". David will always hold some special memories forever in his heart. The kids and I were very blessed to know him. I will be truly grateful for all of the wonderful work him and Craig had done at our house. Ronny was a man of his craft, when he worked at our house there was never a task that he couldn't handle, so I would always say "Ronny knows". We will miss him dearly!

With loving memories,  
The Thompson Family
