“ I'm sorry to hear about Ron, he was always a good friend and caring person. It's hard to believe someone you've known your whole life is now gone. Throughout all the years, if I hadn't seen him in a long time and ran into him, it was like no time had passed. He was that easy going and personable. I've lost touch with him over the last year or so but will always remember his good nature and all the fun we had playing music together with a few of the guys. He really enjoyed playing the drums and had just gotten better and better the more we continued to play. Rest in peace Ron, you'll be missed.
