“ Mrs Gourdeau baked me a cake at Christmas time many years ago and she put it on a lovely glass cake plate with poinsettias on it. It is my favorite holiday plate and I will always think fondly of her when I use it. Cindy Sandage and family.

“ I can always remember the time I spent with your family in Connecticut. I was young and never had an opportunity to be away from home for so long, it was a wonderful summer vacation for me. The trust and love I received from your mom allowing me to babysit you and your brother while dad and mom went to work can never be forgotten by me though I would never realize it until I was older.  
Please accept our condolences, Auntie Sondra is now in heaven and not suffering anymore. We love you Auntie Sondra.
