“ *Words cannot describe the sadness I feel with the loss of Sue! She was such a dear friend, and our friendship has spanned over the past 40 years. Such wonderful memories from our first apartment in Leominster, to our adventure in moving to South Carolina. We shared so many laughs and so many jokes, and would go down memory lane often! I am so sorry for your loss, John and Chris, know that Bob and I will keep you in our prayers, and that God will comfort you and carry you through this very difficult time.*

I recently reconnected with Sue after many years and have been enjoying our luncheon dates with my cousins Anne and Patrice. I can't express the sorrow I feel for you for the loss of your wife and mother. I am so happy we reconnected, in fact we were planning to go out when she came home in February. My thoughts and prayers are with you both! Warmest regards, Carol Desjean
