

Adam J. "Ajae" Craven

February 12, 1989 - September 13, 2021

TOWNSEND: Adam J. "Ajae" Craven 32 of West Townsend passed away tragically, Monday, September 13th 2021, as a result of Injuries sustained in a single automobile accident.

Adam was born in Nashua, NH February 12th, 1989, the son of James R. and Lisa A. (Garibotto) Craven and was a life-long resident of West Townsend, MA.

Adam was an automobile enthusiast, talented artist, and creative writer. Two of his greatest pastimes were four-wheeling and working on cars.

Growing up, he shared many special moments with his older brother, Michael, collecting and reading comic books together. Auto-cross was an exciting pursuit, and time well-spent with his dad and brother. Creating crafts with Grandma and his cousins was the heart of every holiday. Adventures with Mom searching for collectable Matchbox cars and Beanie Babies were always fruitful. Many summers were spent at the family camps, happily gathered with cousins, friends, and family. Visits with GG and Grandad, Adam's maternal grandparents, were always a time for insightful discussion, and he greatly valued the wisdom his grandparents shared.

After graduating from North Middlesex High School in 2007, a huge accomplishment for him, Adam then continued a career working with Dad in their custom cabinet shop. He was very meticulous and took pride in his work. This same passion and attention to detail could be seen in the homemade holiday cards he so often enjoyed creating for his family.

Adam cherished the time spent drawing comic characters with Grandad and attending car shows with Grandpa (Gpa). Adam was a kind, sensitive, and caring person. He loved his family and his pets, especially his cat, Webzy.

In addition to his loving parents, Adam "Ajae" leaves his brother, Michael and fiancé, Tiffany Beaupre', of Leominster; his paternal grandfather, James Craven of West

Townsend; his maternal grandmother, Rosemae C. Garibotto of Leominster as well as several aunts, uncles, cousins, and friends.

An endearing message from his parents:

Dear Adam (Ajae),

Life was filled with struggles, and, throughout the challenges, you worked hard to hold onto to hope in becoming all that you were meant to be. We treasure being a part of your journey and pray that you have found peace in your eternal home. We love and miss you.

Love,
Mom & Dad

“ *Adam...I worked with him in school, and know he was a sweet guy with a big heart. For years we kept in touch, and I am saddened by the news! I had most recently spoke with him last winter. He was still a kind soul searching in life for his dreams. RIP my friend. You will be missed! ❤️ Linda O'Grady*

“ *I wholeheartedly believe a persons true character can be measured on how they are with small children. Adam was always so kind and friendly to my girls. Each Christmas he brought them something special and would smile as they opened their gift. One year he asked me if the girls liked arts and crafts and of course the answer was yes. The next time we saw Adam he had a bag of markers, crayons and construction paper for them. They were his things from his room. He told the girls he wanted them to go to someone who would use them! The girls were so excited and immediately began coloring. His kind and genuine spirit will be missed and Christmas at the farm will not be the same without him! I am truly sorry for your loss! Sending you all thoughts, prayers and hugs! You will be missed Adam! May you rest peacefully!*

“ *Ajae – You are so missed. Uncle Rick and I were so lucky to have you as one of our nephews. Forever we will hold in our hearts all you did to show you cared. Thank you for all the special times we shared and the memories we created. May you find unlimited cars to refinish, comics and stories to write, ATVs to ride, crafts to make, and all the happiness you deserve. Until we meet again, we will take comfort knowing you are at peace and have been reunited with all our loved ones that have already passed through heaven’s gate. We love you. “ While the loss of a loved one is never easy, it is most certainly the hardest when they are taken from us too soon. Your recent loss of your beloved Ajae, whose tragic death at such a youthful age is definitely in the category of those hard losses.

The journey to healing is long, the road often bumpy, but I promise you, there will be brightness in your days again.

Allow yourself to feel what you feel, and take one day, one step at a time.

In deepest sympathy.

“ Jim, Lisa and the entire Craven family, our deepest condolences. No one should have to bury their child. My husband and I enjoyed seeing Adam at his aunt Kym's house during special gatherings. He was shy and never stayed long, but he was kind and did speak with my husband a bit. He had a great love for his family and cars. He may be gone from sight, but he will never be gone from your hearts. May he Rest In Peace.

“ My family and I are very saddened to read of the loss of Adam. My daughter Tiffany, was a very good friend of Adam's growing up. We remember when he came to our house in West Townsend, with his dad Jim, measuring out cabinets for our kitchen. Such nice memories of a wonderful young man. May Our Dear Lord, Jesus, always hold Adam close to His Heart.
With our deepest sympathy to the Craven family,
Fondly,
