“ I will so miss Nita's welcoming greetings, hugs, positive energy and laughter at the dentist's office over the years. No matter how busy it was, she always had a second to say hi. She was also so kind as our Mother's caregiver, and she felt like family to us, even taking the time to attend my mom's service. The world has lost a beautiful soul, but heaven has gained a glorious angel! 🙏

“ To the family - My condolences go out to all of you for the loss of Ambernita. I occasionally reflect on the time we spent and became friends in high school (Hyde Park High). The times we spent together going to basketball games (she was a big fan) and hanging out at her parents home after school. I had the pleasure to connect with her a couple of years ago and she still had the same laugh. My only picture of her in my thoughts were from that time. May she rest in peace.
