“ *Jeremiah and Jaline, my deepest condolences to you both on the loss of your mother. I knew Amy for a few years, and she was always so much fun to be with and talk to. She was extremely kind, caring, sweet, funny and beautiful. She told me about you both, and she was so very proud of both of you, and loved you very, very much. The world has definitely lost a wonderful, gentle soul, and she will be missed terribly. My prayers to you on your loss (and Buddy and her cats as well).*

“ I had the pleasure of working with Amy for 6 years during our Kronos days. She was always the voice of reason and an amazing collaborator and leader. I remember many days when her positive energy, smile, and positive attitude lifted my spirits and made me and Kronos better at what it was we were working on together.

“ On behalf of Heidi (Schrock) Kopplekam and Daniel Schrock, we give our heartfelt condolences to Robin, and Brandon and the rest of the Tremblay upon the passing of Amy. I had the pleasure of knowing Amy through my time from elementary - High School. She was the most friendly, Angelic type of person. Her smile and warmth is what I will always remember of Amy. And as a Alumni of Rivier University, Rivier University lost a great Alumni. God gave us Amy...and has now has her as angel. Godspeed...

“ Jaline and Jeremiah, I'm so sorry for the loss of your mother. She was one in a million. A dear friend from 1986 and beyond. I loved our dinners out and our very long catch up visits. She always filled me in on the two of you and your accomplishments. I could always tell how proud of the both of you she was. I will miss her so much. She was such a nice, kind and thoughtful person. I'm thankful she was my friend for the past 35yrs. May she Rest In Peace now after her long, tough fight.
