“ Although I haven't seen you since you were a teen. I've thought of you often, wondering how you were. Remembering you as a small boy playing in my yard with my daughters. I searched your name many times on FB but never found you. Every once in awhile I saw a man I thought might be you but when I saw their face I realized it wasn't. When I heard you were gone it hit me like a rock, knowing no matter where I look on this earth now I won't find you. Knowing you are with your Mom and Dad though makes me know you will be happy. Rest In Peace beautiful soul! I will always remember you as a child smiling happily playing with the animals in my yard.

“ I knew Andre in high school before moving away in 1995. I always remember his soft-spoken spirit. I also attended church with him at New Hope. I wish I could be there to pay my respects. May the spirit of God be with you during your time of bereavement.
