“ *A wonderful classmate of mine. Such a happy giving person. I hadn't seen her for years and recognized her by her voice from around a corner when in an office in the early 80s. My condolences to her family and friends. May God bless you with wonderful memories.*

“ I am so sad to hear of Ann’s passing. I was a student of hers many years ago and her English class made a lasting impact on me and several of my friends. She reinforced a love of reading and introduced us to some great classics and encouraged spirited debate. She was vibrant and passionate about teaching and wanted the best for her students. Ann also had a great sense of humor. Rest in peace Mrs. Belliveau. You are remembered fondly. ☐

“ Mrs. Belliveau was one of my English teachers at LHS (in the early '90's) and helped to create an environment that was safe and expressive. She was my favorite teacher and will be missed. Sending my love to her family and friends. 💕💕
