“ To Ken and family, your Mom lived life to its fullest. She had such a zest for life, whether it be playing cards, bingo, or just visiting with friends and family. We will miss her presence at your gatherings, but we hope that you find comfort and peace that she led a life well-lived and has joined your Dad. Love, Diane & Leon Cote

“ Dear Mack & Family,

Please know that our prayers are with you at this sad time. We only have 1 Mom. Your Mom was a "Peach" and she'll be remembered for her young and energetic positive attitude, her sense of humor, her love of family and her love of God. This is not to mention all the funny stories you shared with me of her trips to the Casino with her girlfriends in Florida. May God bless your Mom and all of you and may He help you struggle through this sad time. One thing is for sure, your Mom will never leave you and her happy spirit will stay in your heart forever. Our deepest condolences Mack, Carol and to all of your family. Our hugs across the miles. Until we meet again...
