“ My breath caught when I read your obituary. To the Horgan family, I extend my sympathy. Mrs. Horgan was a treasure. I loved running into her in the community and catching up on life. Mrs. Horgan was a shining light for many. Mrs. Horgan was so giving of herself, and the personification of a great nurse. May love and light continue to guide you during this time.

“ Anne I remember when you first became our school nurse. You were always there for us. I sent you a student or students every day and they recieved the best care and advice. You gave me great advice....you sent me to the hospital when I dislocated my jaw and my shoulder.
You had the best smile and cute laugh.
I had all your kids as students. I loved picking your brain. You were just a huge gift to our High School.
You will be missed. Fondly ...Jane S Steinberg
