“ Dear Krapf Family,
I am so sorry to have just heard today that one of my parents life long friend, passed away last year. Maybe due to Covid, but honestly, my family did not know, and I'm so sad that I wasn't able to give my condolences sooner. She was a beloved member of our holiday, wedding, and other family celebrations. She is with my Mom and Dad now, and I can hear them laughing as we speak. Again, I am so sorry...all the best to you all.

“ Fond memories of Mrs. Krapf growing up. Made me feel like part of her family. Strong woman with a rare mix of toughness and sweetness. Amazing how she could really get to the heart of the matter. God bless.

“ *The Krapfs were our wonderful neighbors growing up on Franklin Road. Their home was the quintessential New England home filled with kids, pets and tons of fun. Marie & Al showed their kids that hard work yielded wonderful things - like a beautiful home with gardens that reaped a multitude of wonderful vegetables. Their backyard was the place for kickball games, the cellar a place for ping pong games, and the surrounding woods for endless hours of army, building forts or nature exploration. Mrs. Krapf was a devoted wife and mother, and probably felt like she had more than 4 kids; as we always wanted to be there. I have the best memories of spending time at their house that are etched into my mind forever. Mrs. Krapf will not be forgotten and leaves an amazing legacy. May Al, Joan, Jimmy, David & Michael and all of her family and friends take comfort that hers was a life well lived. With deepest condolences, Ellen Hachey Fairbrother & family - Joe, Irene & Steve*
