Mother was a loving woman that loved her family and prayed for her family every day. Family was important to her and she would often pour her love, knowledge and life into everyone that could hear her voice. Mother would tell her family “Keep GOD first in your life, and everything will work out. Be good to yourself and do not love too hard. Words spoken by a genuine Angel of love.

Mother gained her heavenly wings at the age of 100 on July 4th 2023. And was she ready to go home and see Jesus. Her work on this earth was

completed.

Mother is preceded in death by her parents Millie Hamler and Ed Peavey, her Great Aunt Mittie Terrie, her loving husband Joe A. “ Although I only had the pleasure of seeing you in person a couple of times you melted my heart with the stories you shared and welcomed me into your family with open arms. You are a gift from God you mold the lives of others you are the family's rock. I have no doubt you will shine your light down upon your children in eternal life. Rest easy Mother it is your time to fly. ❤️ with Love Heidi

“ Mother,
Died in her sleep while I was rubbing her feet. She stopped existing
in the land of the living on 7-3-23.
The medical professionals arrived at the home on 7-4-23. I
understand that is when
They make the official determination.
But as mother would say I'm telling you the truth.
She left this world 7-3-23.
Mother was more than a grandmother to me. She was many things
such as my Best Friend, My spiritual Advisor and my Hero.
I am her last granddaughter and she told me that My mother had
me for her Lol. I said welp I never had children so maybe your right.
Mother said u have always been with me since you was a child and
look your still with me. I said well Mother. You always say once an
Adult and twice a child your my little kid now and we laughed 😂.
Mother spoke what she felt was her truth even if u did not believe it
or agree with it she would tell u how she seen it.
I appreciate how transparent she was and taught me so much I will
always cherish her. She showed me how to live a life based around
God.

I know I will see her again in Paradise.
Mother made up a song She called it. "MySong" I learned it and she
was so happy we would sing it together. Here is the song for all the
world to know! She wanted people to know God and his love. She
would ask many people if she could sing her song.

My song By Annie Marshall

*Jesus is the Lord of my life sickness and disease has no power over
me I've been forgiven and I'm free from sins and guilts
Jesus my Lord and my savior oh he died on the tree. On the tree
ohhhhh on the tree oh he did it for you and me
Free in Jesus free in the Lord oh my soul*

“ We just don't know what to say. Mother said it all for us and to us ❤️ I am extremely blessed to have known her and our extended family through her, her journey and her blessed life and existence (Thank You Lord Jesus). I do know that one day we will all see each other again in our due time. God is so good 😊 Thank you Mother for giving me knowledge, wisdom, understanding (just putting up with me). You have instilled wisdom in my heart ❤️ and I have passed that wisdom and knowledge on to my beautiful daughter. I thank you and love you 🥰 until we see each other again in Jesus ❤️ 🙏
