“ actually I think ... actually I think the short sellers were forced to sell their position due to the end of growth.to create a short, borrow the stock sell it high and redeem the loan lo83&w2#0;where’s the “up-tic rule”? Eliminating that is what allowed shorts to be so lucrative. Funny how regulators squashed that JUST before the bubble grew.thanks for the vid. VERY informative! 1Was this answer helpful?

“ *Our hearts are a lot more empty because God has claimed his own, and we feel lost without the smile and hug she gave to all. Words come easy to describe Annie and who she was and what she meant to the many who knew and truly loved her. The Williams family will never forget her, we will ever think of thee, Auntie.*

“ *May the beautiful memories of your mother help your family endure these trying times. Your family is in my heart and prayers. God has promised us that we will soon be reunited with our loved ones. “There is going to be a resurrection,” the Bible confirms at Acts 24:15. “Do not be amazed at this,” Jesus assures us, “for the hour is coming in which all those in the memorial tombs will hear his voice and come out.” (John 5:28, 29)”*
