“ Tony came to mind last night, and I just came across this. Tony was instrumental to me when I was a child. He coached my softball team, introduced me to roller skating, gave me a ride several times, and taught me how to skate backward. I ended up spending more than thirty years working at that rink. He helped me get my first job working to clean Quinty Oil's office downstairs from him. I lived across the street and enjoyed visiting the family on occasion. I'm sad I was not there to pay condolences to his family.

“Mr. Salafia” was my softball coach when I was on the Tigers with Dawn Gallagher, Cheri Cornwell. He was a great coach and I still recall his words of encouragement today and have many happy memories because of his selfless giving. His son used to coach sometimes too, so we felt like an extended family. Him and my Dad would laugh a lot at games and practices! He was someone we could all look up to. A great man! All our love to the Salafia family.

Vivian, Bill and a Shawn I'm very sorry for your loss. Tony was was the best. I had the pleasure of coaching a Shirley Little League All Star Baseball Team with Tony years ago and remembering having a great time doing it. I've stayed in touch with Tony over the years and enjoyed sharing old stories with he and Viv at Shirley Fuel. Rest In Peace my friend. Keith
