“ *Dear Uncle Armand,*

*Even though you are not with us here on Earth I'm sure you are celebrating with Meme're, My dad-your brother, Uncle Franny and Uncle Richard. You've always had a special place in my heart no matter how far away you were. I know you asked about me a lot and that meant a lot to me. I hope you were able to read my last email to you and see the photos you asked for. I love you and you will be missed. RIP and say "Hello" to my dad, Mem's and Uncles.*

*Aunt Elinor,*

*I pray that you have peace and know that Uncle Armand is resting now. I pray that you and Joey are doing okay and know that he's in a better place now.*
