“ *My deepest sympathy to your family. I feel bad for not being at your service. I was at the Baptist for another knee revision and I just found out that you went to heaven a week ago. You were my best friend and my best man at my wedding. WE will miss you on our monthly Thursday's for our beer meeting.*

“ *Dear Leger family, and loved ones, both near and far: Surely a man who was loved as much as your Armand was on Earth has earned his wings in Heaven above. He loved his family so. While I was never lucky enough to know Armand personally, you could tell how much he loved and was loved by his family by the pictures that were shared by the Leger family. God speed, Angel Armand. God bless the Leger family. Much love, Colleen Casey*

“ I am so very sorry to hear of your loss. Death is never easy but when it is someone that you feel it was not his time to go, it is much harder. He lived the time that God gave him at birth. You lives were all enriched by knowing him. Know that many people are praying that God will be with you and help you during your journey of mourning. God bless all of you and keep all of you safe. Hugs , love and prayers going your way. May God bless the Leger Family.
