“ I was deeply saddened by the news about Arthur. He was always one of my favorite people, even though I hadn't seen him in some time. I'm very sorry for your loss.....truly one of the "good guys" in this world. Arthur was such a kind, gentle and wonderful man, who was so very committed to his family. He was an example of a person, parent and friend that we all could have, and should have, learned from. I enjoyed the conversations we had when he would bring Chris to band jobs, or when we had practice for the BCS Trio at the family's house. I also loved talking with him about "Maine things", since we both had backgrounds regarding the state. My best to you all and very sorry for your loss. Skip Whitmore
