“ *An awful woman who hated her mixed adopted granddaughter; Cynthia tormented that child after her first husband died, and blamed the natural reaction to abuse on the girl's background. I see you left the poor woman out of the obituary, too. What a disgusting, racist family, the lot of you! Shame on you all for the way you've treated Amanda.*

I was very sorry to hear about your mom's passing. She was a wonderful lady with a great positive attitude.
