“ I knew from the moment I met Gram that we were going to hit it off. Then the pink bathroom sold me.... Gram was spunky, always had a smart come back. She would always catch me staring at her "sweetie sweetie" and make a comment with a smile. She went by many names in our home; Grammie Gram and GiGi; everyone called her something different. The one thing we all had in common was how much we love her. She will be missed dearly.

“ Our family was blessed when Jeff, Barbara's grandson and our daughter Heather married. His grandmother Barbara was a wonderful lady. She truly enjoyed life and made those around her laugh with her contagious joy. She and my parents would spend family celebration times, such as birthday parties, baptisms, holidays and other get-togethers around the kitchen table sharing tales and stories about growing up in a different era and hilarious stories about their two grandchildren's escapades in their youth.

My parents Edna and Bill also wish to offer their condolences with the family. Barbara will truly be missed, but we know she is once again with her beloved Frank - whom she missed very much. Prayers for the family in their time of grief.
