“ *My sincere condolences to Bev's family and friends. I can still hear Bev's laughter and witty comebacks. Her strong character allowed her to fight the "C" beast for years. Rest in peace, my card playing friend. I was blessed to spend many fun times with you. Until we meet again....Love, Patty*

“ *The moment I met you in the 1st floor women's room at FHS (you skipped school that day to spend time with "Westie" friends at FHS...LOL (I was from the South side)) to our graduation "beach week" at Hampton and let's not forget our walk in search of the "Glassed Bottled Big Berthas" in the coke machines along the board walk of Hampton and then some. To the days of coaching Sally Softball to my wedding day to now...Bev you were my friend, there was an understanding between us no matter how long of we didn't see each other, we could always just pick up where we left off. I love you and will miss you. Till we meet again my friend! May the wings of your guardian angel lift and guide you as you fly home!*
