“ Brenda was always like a second mom to me. She was always there when I had problems or questions about me being gay. I remember when her daughter Angela really liked me and wanted to go out with me. I told Angela I couldn't because I was gay, well she got upset and started crying. Well Brenda came to me and said what the hell did you do to my daughter. I told her that I told Angela I was gay Brenda was like oh is that all. I have lots of memories especially when she lived in Townsend and I used to hang out there a lot with her kids and her, and all the memories of her and Dick Tourigney. I have so many things and memories but probably not enough room. Brenda I will miss you and love you very much. God bless you and say hi to Dick, my dad and my mom.

*Lots of love to your family

“ Instead of a stray Dog Nathan took home a stray foster kid, who loved being at your house. No matter how many times the social workers or cops said I had to go I always came back until the social workers gave up and let me stay. I will have long lasting memories of you and the Great times in Townsend. I hope you are reunited with all your loves including herkimeier and brighteyes...
