Tribute Wall

“ I remember Brian From High School in Marching Band and Jazz Band. My fondest memory was when the Marching Band was on the way back from the NY parade and our bus broke down. We got it towed to a back alley bus lot mechanic where we were for 4 hours while they worked in the bus. I remember Brian saying “Wow stay in a five star hotel for a week all we did was complain, about everything, but us in a dirt parking lot with nothing no complaints”. He made that comment over 20 years ago and it has resonated with me even now, and made me feel grateful for all the little things we have. That comment that he made at the time where he was just trying to be funny, has been words to live by for me and how I live my life. Thank you Brian.
