“ *To Brian's family*

*I am so saddened to hear of Brian's passing. Brian and I were friends from birth. Our mothers were in the same maternity ward at the same time in the Community Memorial Hospital in Ayer. Brian was my younger "brother" by a week. We went through St. Mary's School in the same class from kindergarten through 8th grade and were alter servers at St Mary's Church.*

*I always admired Brian for what I know now as his kindness and leadership qualities. I believe that Brian was one of the quality people I've met in my life and I will remember him in that light. Remember the good times with your Brother, Father, and Grandfather I am sure there are many.*

*RIP Brian*

“ *I've known Brian since we went to St. Mary's. I worked in Ayer delivering mail and I'd bump into Brian and we'd catch up on what we were doing. I was a member of the Pepperell K of C and would run into Brian at many combined functions with Ayer, 2nd + 3rd degrees. Always thought of him as friend and brother Knight, he will be greatly missed. “ Dear Jean and family, I am so sorry to hear about Brian’s passing, I knew him since St. Mary School days. When I first became an altar server I served my very first Mass with him. I can still remember that day so vividly, I was very nervous and he was an experienced altar server and he assisted me through the Mass. Brian always displayed those same qualities throughout life, being kind and a willingness to assist others in life. May your many memories of him provide you with comfort in this time of sadness.
