“ *Our thoughts and prayers to Uncle Bruce's immediate family, dear friends, my Aunt Sheila, Aunt Syl and Aunt Gail. When he visited my mom, (Nancy Keesler) Bruce always brought plenty of fig squares to share. Even though he was only four years older, Bruce was my favorite uncle. He will be sorely missed. May he rest in peace. Love, nephew Donald Keesler*

“ Bruce was a caring wonderful man. He was always looking out for his family, and his extended family, "the Mauro's." I will never forget the Tiny's first cruise where he took it upon himself to be sure I was having fun, cause Mike wasn't with us. He was so proud of his family. Bruce was my first visitor down here in Florida from back home. He told me, "my tv was too small." lol, I'm sorry I didn't know he was sick. :(Hopefully he'll watch out for us from up there. I miss him! R.I.P. Bruce. Say hi to Mikey! Love Robyn

“ A Papa like no other! 💙 He was always there to lend a hand. Taking the girls on weekend or day trips to visit family and/or friends, getting them off the bus on their half days when I had to work and taking them with him on his afternoon bus runs, or just taking them shopping for school supplies. Always there when you needed him. You will be greatly missed.

“ *Bruce was my son's bus driver this year and, while I did not know him on a personal level, he was always kind and helpful. He was a nice man and I know he will be missed. We send our thoughts and prayers to his family and friends and appreciate his military service as well as his care when our children were on his bus. Thank you, Bruce. Rest in Peace.*
