“ I am so sorry Jenny for losing him so soon. He will love you forever. He's Not gone only Changed. Bryant is an amazing person who didn't judge or want to hurt anyone. He is the kind of person that would do anything to help you if you were his family or friend or even a stranger. He made my sister happier than I have ever seen her. The way they loved each other is the way love is suppose to be. When they looked at each other , they just got this dreamy lost in your eyes look like the whole world would stopped just for them. So I know even though he's not here he will forever be by her side. I love you Bryant, keep watch over us like I know you will.

“ I knew Bryant a very short time but have known the Wilson Clan over 50 yrs. once the wedding date was set..my wheels started to turn. My amazing Brother Man David Bradham from CT.agreed to be a huge part of the surprise for Bryant & Miss J....I mad David crazy for 6 months planning the special event for the newly weds.. day before the wedding, David brought the Visa Vise Carriage from CT...I spent the whole day making sure it looked snappy. morning of the wedding, David arrived with the team of Horses.. we had to hustle to get them washed & groomed..I had to hurry to get changed for the wedding..David took the team & carriage to Spaulding Memorial School to get everything put together.... when Bryant & Jenny arrived at the school, you could hear her screaming to the Harbor !!!! got the Bride & Groom on board and drove right down 119 to the VFW for the reception...people along the way were cheering, clapping & big smiles.. it was pretty hard to keep this secret but so worth it..I don't think I will be able to anything like this off again!!!! To you Bryant..God Bless..Jenny, my heart is so heavy for you.. Please know that you two were a perfect match.. Much Love Nancy
