“ *I remember him well.
Stormin' Norm Fagan, the Popeye forearmed patriarch of the
Fitchburg Fagans.
Take a trip with me down memory lane, to the halcyon days of the
early 80's. A bunch of rowdy college kids (Bill Nereson, Bob
Howland, Dennis Howland, Jim Desmond and Kevin Hiniker) from
the University of Minnesota piled into my green 1975 Chrysler
Cordoba (with green, crushed velevet seats) and drove from
Minneapolis to Fitchburg, summoned to participate in the the
upcoming nuptials of Donna Fagan & Bob Howland.
Upon our arrival we were shown a level of hospitality befitting
visiting royalty by Norm and Nancy, spending a terrific few days with
them. At the conclusion of the festivities, we made the long drive
home with icebags on our heads.
Norm Fagan. I always liked the dude.
RIP,
Bill Nereson (Uncle Bill, the Dogfather)*

“ My pepere was the only person I have ever known that I couldn't think of something bad to say about even if I tried, and I am proud to have been named after such a wonderful man. Speaking of which... Normand? Did the person writing the obituary spell his name wrong or have I been spelling my own middle name incorrectly for 30 years?

“ The entire Mina family will miss Norm beyond words. He certainly was a humorous man and made us all laugh but he also had a tender side that made him well-loved by all.

Nancy and family, we are here for you. We will one day share the stories of which there are many and we also are saddened by the loss of Norm, our near lifelong friend. May Mr. Fagan rest in peace amongst the angels, as he is one of them. Love you all.
