

Calvin E. Moore

February 23, 1953 - June 7, 2024

AYER: Calvin E. Moore, 71, passed away peacefully on June, 7 2024 at his home in Ayer.

Calvin was born February 23, 1953 to parents George V. and Zelda L. (Fitch) Moore. He was the youngest brother to Jonathan, Douglas, and G. Victor. He grew up on Taft Street at the family home in Ayer, where they raised Morgan show horses. Calvin resided his entire life in Ayer, the town he loved.

He was a graduate of Ayer High class of 1971. After graduating he attended the Stockbridge School of Agriculture in Amherst, MA before returning to Ayer to work with his father at the family lumber yard, G.V. Moore Lumber. He became the fifth generation to run the family business, which he grew to a multiple location company, with yards in Leominster, Webster, Chelmsford, Nashua, NH. He was an active member of Mass Retail Lumber Dealers Association, where he was recently awarded the Lifetime Achievement Award.

Calvin was very passionate about any endeavor with which he became involved. In 1998, along with his mother Zelda, they purchased the Page Block in downtown Ayer and began a complete historical restoration of the iconic landmark. He transformed the building into retail rental space, office space and started another business, The Billiards Café, on the second floor.

From an early age, he was involved in the Boy Scouts of America. He spent many summers at Camp Wanocksett as a camper and, with his father, built various camp infrastructure. He was a scout in Troop 3 Ayer. In his adult life, he was a member of the Nashua Valley Council Executive Board of Directors, which recently merged with the Mohegan Council to form the Heart of New England Council.

Calvin never passed up an opportunity to take an adventure. He was a life member of Safari Club International, and served as President of the New England Chapter. His passion for the outdoors, hunting, and fishing took him across the globe. Destinations included multiple excursions to Zimbabwe, Zambia, Namibia, Sudan, South Africa, Alaska, Scotland, Yukon Territory, Brazil, Argentina, and many states in North America.

Calvin was father to three children and their spouses: C Jonathan Moore (Kelly), Todd D. Moore (Shannon) and Chelsie M. McCarthy (Joseph). He was a proud Grampy to six grandchildren: Riley Moore, Reese Moore, Lucas McCarthy, Levi Moore, Clara McCarthy, and C Parker Moore.

In addition to his parents, Calvin is predeceased by siblings, Baby Moore, who died at birth 1943, Jonathan Moore in 1965, Douglas Moore in 1968 and Victor Moore in 1994.

Calvin has left a lasting impression on everyone who had the privilege of meeting and spending time with him. He will be deeply missed.

Calvin's family will receive relatives and friends at calling hours 4-7 PM Thursday, June 13, 2024 at the Anderson Funeral Home, 25 Fitchburg Road, (Rte 2A) Ayer. Interment at Woodlawn Cemetery, Ayer will be held privately.

In lieu of flowers, please consider a donation in Calvin's memory to the Boy

Scouts of America, the Heart of New England Council at <https://donations.scouting.org/#/council/230/appeal/4892>

I knew Calvin and his family for almost 50 years. They were a pillar in the community. George gave me a job at the store. I'll never forget that time in my life. Good friends and great family. CJ and Todd I wish you the best in your endeavors. Calvin was good to me.... to say the least. Your Grandfather was the one who gave me the strength to go and tackle the world.
They will be truly missed.
My deepest condolences.

“ We have known Calvin for many years in the building materials industry and as a dear friend. He always had a mischievous smile, big hands and an extremely large heart. Calvin always did so much for his friends, for his customers, for his family and for his community. He was a true giver, and a man who will not be forgotten anytime soon. Our hearts go out to his family in this very difficult time. Rest in peace, dear friend and thanks for the memories. You will never be forgotten.

“ I’m very saddened to hear of the loss of Calvin. I’m not sure how Dawn, Nolan, & Preston will fill the void - he has been such a piece of them for so long. He loved Dawn and her boys like a love I’ve never witnessed before. He took her boys under his wing, stepping up to the plate when they really needed a good role model. Calvin filled those shoes. Rest in peace, Calvin, you will be missed dearly.

“ I met Calvin 23 years ago when I joined the Ayer-Shirley Lions club where Calvin was a long time member. He was a very generous person who worked hard to promote our various fundraisers, spaghetti suppers and karaoke nights at the Billiards. He truly cared about those less fortunate than him and he put in the effort to make a difference in the causes our club and Lions Clubs International supported. Well done Calvin. You will be missed.

“ *I am deeply saddened to learn of Calvin's passing, having known him for well over 50 years. I was just talking about the Moore family and especially Calvin this afternoon, remembering many great interactions. A staunch supporter of so many causes, political, philanthropic, community, Calvin was always there when needed. Too much pain and suffering in one family and now he is at rest. Calvin held his head up high and overcame so much. He loved his family, friends, businesses and always made whoever he was with feel as though they were the most important person to him....such a terrible loss. To his children, may your memories bring smiles to you once your sadness passes. Rest in peace my friend. You will stay in our hearts and memories forever.*

“ I first met Calvin when I was just a little girl. He'd always politely greet me with "hello, Miss Guthrie." Over the years, we became friends and I'm so glad we stayed in touch up until the end. Calvin had a big presence and a big personality; he was truly one of a kind. He was still making me laugh when we FaceTimed a couple of months ago, even though he was so sick. I will miss you terribly, my friend. You battled bravely. Rest in peace, my friend. Much love to you and my condolences to the Moore family - Cindy Guthrie Fischer

“ In 1978 while campaigning for state representative along Main Street, I was introduced to Calvin Moore. He had the largest, warmest hand I ever shook. Seriously. He knew I was an avid hunter and we quickly became close friends. We had some good times. Three evenings ago, Bob Durand and I were reminiscing and decided to visit Cal next week. I am so shocked, so disappointed at his passing. I will recall him with fondness in the years to come.

“ I am saddened to learn of Calvin's passing. He did so much for our community and was a big presence in town. Most of my memories of Calvin are strikingly similar. No matter when or where our paths crossed, he always dropped everything to greet me with a warm smile and firm handshake. Calvin was sick for a long time and saying goodbye is hard. I hope his family finds some peace in knowing he is no longer suffering. My thoughts and prayers are with the Moore Family.

Calvin you left us too soon!!! He made the mistake of showing me the answers to a test. The chase was on; I ran and managed to flush them down the toilet. Calvin was threatened with detention for being in the girls bathroom.

Ahh, Dear Calvin.. strong minded, keen business sense, and as others have said, big personality in any room. And then there's the other side-thoughtful, kind, deeply dedicated to Ayer, to your extended family and your dear friends. I always wanted to ask - was one of the reasons you built the Billiards cafe to show off all your crazy safari animals?? You fought so hard. Peace be with you, my friend. Many will miss you.
