“ *My deepest condolences to Tom and family. Cousin Carol was a wonderful person and I'm glad I got to know her better during our family "girls trip". As one of the "Ladies in Waiting", she was my roommate and we had a wonderful time. Such a great laugh and was always smiling. I will cherish those memories forever. Rest in peace, sweet Carol.*

“ *Good thing that Carol was such a good baby as Josie always said Carol was her inspiration for me. Carol and I go all the way back and grew up together in our extended family. I will miss her infectious laugh and smile and seeing her at our gatherings. She was a good audience. God bless Cuz. I will miss you a lot.*

“ I have loved Carol since the day she was brought home from the hospital to our shared two family house. My sister Joanne and I thought she was so beautiful and enjoyed playing with her. We shared many good times and some sad times. Carol will be remembered as a warm and loving person with a generous spirit who cared for family and friends. I have always loved her and always will. My thoughts and prayers are with her family and friends and loving husband Tom.

“ I send my deepest condolences to the family. It was very saddening to hear about the passing of your dear loved one. Death is very devastating and difficult to deal with. We are assured that God has such loving concern for bereaved ones Psalm 34:18 "He is close to those who are broken at heart." We are assured of his concern because God lovingly invites you at 1 Peter 5:7 to "Throw all your anxiety on him because he cares for you." May Gods word bring you and your family comfort along with all the wonderful memories of the good times shared during this difficult time.
