“ Dear Uncle Alyre and Family,  
Please know that you are all in our thoughts and prayers! I loved her spirit, Aunt Catherine was never afraid to do anything "in my mind". I remember the time when you both came to visit us in Harvey, you brought the motorhome and your new Harley Davidson. I was blown away that you two took turns driving the motorhome and the Harley all the way from Fitchburg. I loved her dedication to her husband and family....a partnership that was really beautiful to see. Take care and hopefully after this pandemic we will be able to see you all.

We love and miss you all,  
Pat (Patsy Doucette) and Maurice Roussy
