“ We have lived across the street from The Jones Family for thirty years. Jonesy was the neighbor always willing to help us in many ways and our mailbox was always cleared after a snowstorm!! We always looked forward to his handmade birthday cards, he would send them in the beginning of the month so we could enjoy them longer. We always received our Christmas card the day after Thanksgiving!! Jonesy and Randy would talk almost daily at their favorite meeting spot-the mailbox!! He insisted that I use his driveway to walk my grandchildren in the stroller because people drive too fast on our road. We miss seeing Jonesy riding on his various toys and seeing him walking up and down his driveway. He also played the best music-LOUD-the way it should be!!! 🎵
Our sincere condolences to Vielka and Jr.,

To the Jones Family We have been neighbors for 20 years. Jonesy is one of a kind. He is always there to help you. Mike and I will miss him very much. He would come over to visit us if he saw us outside. Mike and him became very good friends. He would make up his own birthday card to send us. He had a great sense of humor, and loved his family very much. Our hearts go out to Vielka and Junior. May he rest in peace. Mike and Adele Turnbull
