“ Christie, It was an honor to know you. Although, like so many friends, we parted ways in pursuit of our post high school life, Facebook reconnected us like so many. I'm grateful for your friendship, I enjoyed our banter and heart to hearts, tags and shares and pictures and laughs. Running into you here and there was always a nice surprise. You were kind, fun and just a sweet soul with a contagious laugh that I'll never forget. Thankful we didn't have cell phones back in our day - we had some fun times indeed. I am sad in my heart to learn of your passing. I'll forever think of you when I hear Aaron Lewis - sing with the angels my friend. My sincere heartfelt condolences to your beautiful family.
