“ Dear Rob, Please accept our sincere condolences on Christina's
passing. Many years ago when Keira's love for horses developed
Christina was beyond kind to her. Sharing her love and expertise of
the sport. Keira was a little sponge hanging on her every word. That
love continues today thanks to Christina. I will carry her kindness all
my days. Wishing you comfort. We love you, Kathy, Luke and Keira

Rob, sorry for your loss of Christina. I didn't know her well personally,
but we shared many face book posts and comments about our cats
and dogs. She loved her fur babies!
Take care Rob.
